# FORD MUSTANG FRONT DISC BRAKE CONVERSION KITS FOR MANUAL TRANSMISSION CARS

*Add the safety, reliability and performance of disc brakes to your vehicle with our drum to power disc brake conversion.*

In this 1964-66 Mustang disc brake conversion kit, you receive everything you need to mount factory style 4 piston disc brakes to the original V8 drum brake spindles currently on your vehicle. This 1964-66 Mustang disc brake conversion kit is a direct bolt on kit. All components used in these front disc brake kits are new high quality, precision machined products. A great front disc brake kit with a factory look and easy installation!

*Cross-drilled & Slotted Rotors, and Black or Red Powdercoated Calipers are available as upgrades.*
