## **FULL SIZE FORD** **FRONT DISC BRAKE CONVERSION KITS** **FOR FACTORY POWER BRAKE CARS**

*Add the safety, reliability and performance of disc brakes to your vehicle with our Power Drum to Power Disc conversion.*

In this Ford brake conversion kit you receive everything you need to mount factory style 4 piston disc brakes to the original drum brake spindles currently on your vehicle. This brake conversion kit for Full Size Fords is a direct bolt on with NO cutting, drilling or welding required. All components used in these kits are new high quality, precision machined products. A great kit with a factory look and easy installation!

The Power Booster included in this kit is designed as a direct replacement for your Factory Power Booster.

*Cross-drilled & Slotted Rotors, and Black or Red Powdercoated Calipers are available as upgrades.*
